

Paper Submission for IIT 2018

This document complements the Instructions for Authors (see [here](#)) regarding paper submission

Deadline for submission to EasyChair: September 14, 2018

Deadline for submission to IEEE pdfXpress Plus: November 23, 2018

Paper preparation

Upon acceptance of the abstract, a paper up to 4 pages for contributed papers is required, invited papers do not have a page limit. The papers have to be written in IEEE Xplore®-compatible format. MS Word or LaTeX templates can be found [here](#). PDF's may be checked [here](#).

Paper submission

Paper submission will be a two-step process:

- First step: submit the paper to EasyChair. The submitted papers will be peer-reviewed for submission to the IEEE conference proceedings. In addition, IEEE policy requires that all accepted papers must be checked for plagiarism.
- Second step: submit the final, revised paper to IEEE pdfXpress Plus. The pdfXpress Plus site will open September 21, 2018

A **copyright transfer agreement** is required, one form per paper, not per author. According to IEEE, only electronic copyright forms are available. Therefore, an account will be created that authors access online.

Paper Submission to EasyChair

After logging in to the EasyChair website for IIT 2018, you may open your submission to get to the following page (**Figure 1**).
